Subject: IEEE Signal Processing Society Travel Grant – Notification

Dear Nagur Shareef,

I am writing to inform you that your application for the travel grant to attend the 2024 IEEE International Conference on Image Processing (ICIP 2024) has been successful. ICIP 2024 will be held in Abu Dhabi, United Arab Emirates, 27-30 October 2024. You may find the acceptance results on the SPS Travel Grant webpage at, https://signalprocessingsociety.org/events/current-travel-grants.

Because we received a large number of applications and wanted to support as many applicants as possible, the amount awarded may be different from the amount requested in the application form. You have been awarded **US $ 500.00**, to reimburse you for your travel expenses.

Please note the following requirements:

1. Your paper MUST be registered for the ICIP 2024 conference, and you MUST present your paper(s) at the conference.

2. You must physically attend the in-person conference in Abu Dhabi, United Arab Emirates in order to receive reimbursement.

3. The grant will be given to you after ICIP 2024 on a reimbursement basis via IEEE NextGen Expense Reimbursement (Concur) system. The instructions on how to collect the grant following the conference are attached to this acceptance email. If you do not present your paper(s), our offer to you will be void and you will not receive the Travel Grant funds.

Please follow the instructions of the attached Response Form and upload the required Response Form on or before 31 July 2024 to the Grant File Collector website, https://www2.securecms.com/SPSTravelGrants/FindApplication.asp. If you decide not to accept the SPS travel grant, you are still required to send back the response form. If we do not hear from you by 31 July 2024, we will assume that you are not interested in the travel grant support and the grant will be re-allocated.
